David---

First, Happy New Year! And I'm delighted you had the chance to spend time in [redacted]. I can't wait for [redacted] to start.

Second, I'm copying Huma and asking her to reach out to see if any of my friends in SF are available. She will contact you directly.

And, I look forward to seeing you in 2011. All the best, H

Hi Hillary:

[redacted]

[redacted] is going to be a great asset for you and the Department. [redacted]

[redacted]

I will be in San Francisco 3-5 Jan and have a free evening on Monday 3rd. If by any chance there are any of your friends/associates who might be free and interested in hooking up that would be great. I will be meeting people over a couple of days to talk about green business and also meeting some of the foundations (Hewlett) as I put together a portfolio of activities.

Many thanks and best wishes for the holidays. I hope you get some kind of break.

David
