It was so good to see you after all this time. I miss you and still feel we should be marching off together to some campaign to rally the troops. But it's great to have you in your new post and, as I mentioned, people are constantly telling me how thrilled they are to have you as SOS.

Finally, April 29 is the big celebration of our 25th anniversary and we hope you'll be there. Unbelievable that it's been so long. But tuesday we'll win the special to replace Hilda and Judy Chu will be the 80th dem woman we've added to the House!

Have a great rest of the summer. I'll be cheering you on wherever in the world you land!
