Subject: Next trip

We've had a few meetings on the next trip.

Cook Islands is locked. Think we finally found a perfect house. McCully was great but his suggestion didn't afford much privacy on the beach, although the beach is spectacular! All the houses are lovely. They are not out of this world amazing, but cozy and quaint and unbelievable views of water. Ill have pictures of the best house for you when you come back.

Vladivostock is a moving target. They moved the date earlier so you need to be there by the 6th. Accomodations and food less than ideal and only one choice. They are building a dorm on the russiky island for the forum and it will have a cafeteria that will provide food for all delegations.

Brunei and Timor Leste still on list.

China is on list as well. I know Jake already talked to you but since we skipped it last trip, Kurt strongly endorses.

There has been some talk about doing a south china sea stop in Indonesia.

So that's how its shaping out to be. I'd like to lock countries soon since this is a summer trip.
