other thing to keep in mind is that melannes event may be canceled cause so many people are traveling for it. we are touching base with melannes team this afternoon to see what people are saying about being able to come down. worst case scenario, we would do this in early january.

Mario suggests we check in with him in the afternoon about 8pm flight. Basically he said flight may get canceled at last minute as has happened with shuttles this morning. He will check with crew who will give him best assesment.
