Ok but I think we need a date for a quick in and out but not an overnight. Would the 25th work for that?

12:30 ashton call: U now have the latest call sheet

1pm call: call sheet coming. Jake called about the conference being on the 25th. We are telling the canadians now that we cannot confirm the 25th works, that we would have to re-schedule some things and that we will get back to them asap. So u won't be committed to this date today. Ok?
