I saw ngozi. Will get to her.

Also, random notes:

- your whole team is in this room but in chairs along the back. Rch, karl, mccrystal, phil, liz, alonzo and david sedney.
- you speak in first session which starts after karzai is done.
- on kouchner, his team shared reason for resistance to a restaurant. They think that politically the optics are bad for kouchner to be out in paris and appearing frivolous in serious times. They also say they never do press in public restaurants and they don't want to lose the press element. He may not agree, he doesn't seem to be aware of it. But that's where this office thing is coming from....
