Subject: Congratulations, Madame Secretary!

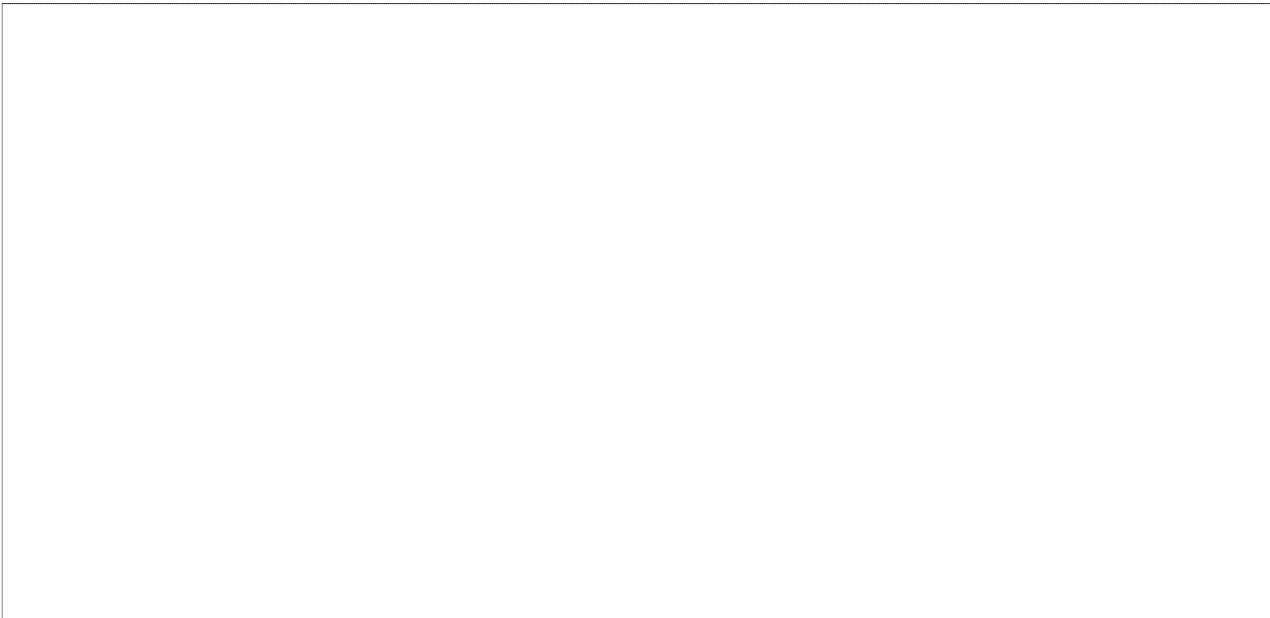

Dear Hillary,

It was such a delight to see you sworn in as Secretary of State! I will, literally, sleep better at night knowing you are our envoy to the world. Edward and I send our very best wishes as you embark on this new journey filled with the promise of daunting challenges and

historic opportunities. The President could not have made a better choice, and, I thank you for your willingness to serve. You will be in my thoughts and prayers.

While I know you must be overwhelmed with requests for jobs and appointments, I do want to take this opportunity to mention

B6

Let me close with a personal note. I was honored to support your campaign for President and am immensely proud of your candidacy. I must confess that I am not nearly as gracious as you, so accepting the outcome has been difficult. But, I do believe that life unfolds the way it is supposed to, and, God knows you will have now many opportunities to forge a better world. Just know that I'll be right here, cheering for you all the way, every day. Traveling mercies.

Bonnie
