Hillary, gather you're meeting with Rory Stewart Tuesday. FYI, Brooke works closely with Rory; she's U.S. Executive Director of the Turquoise Mountain Foundation, which Rory founded and is still active with—it's reconstructing and otherwise help the old city of Kabul. Anyway, it's a terrific idea to see him. He'll be double-value, on Afghanistan and Iraq. Also: congrats on Ikenberry/Kabul: Hill/Baghdad. You couldn't have done better in both postings. Strobe
