Subject: Friday

Wanted to give you info for the lunch friday. spoke with the organizer byron wien who is the vice chair of blackstone group. the lunch is from 1-3 at Soros house. It looks like its 20 minutes from your house with no traffic. It is a lunch discussion that Byron moderates. he has an agenda of a dozen topics ranging from the economy to geopolitical issues. you could pick one of the topics to made a "presentation" on. There might be a few additions but below is current list. let me know what you think. i asked if there was any way you could come by for a short visit, he said its pretty scheduled and really hopes you can change your schedule to be there for the whole thing.
