Subject: thank you

Tiffany Enoch invited me today to the first meeting of the Advisory Committee on International Economic Policy.

I am delighted to be part of this group and want to thank you for your help in guiding me through this process.

I will do all I can to be of help to the State Department and would look forward to meeting you in Washington. The work that is being done by State is resounding around the world and makes me very proud to be an American.

All the best,

Jeff
