Ok. I emailed his guy. When I talked to him yesterday sounded like he would be wide open tmw, so it should work. When we lock it in, should I tell ops to connect to residence, or will you/hrc call into ops?

I left word with his office. He is travelling most of tomorrow, but they are going to check in with him to see if there are any pockets of time that work for him. They owe me a call back- ill let you and huma know when I hear.

Thx. Can you call Tom Donilon's office and schedule a call w him for me late tomorrow afternoon or evening (after I get back from Kennedy funeral) or if that is not convenient for him, ask that he suggest times that work for him.
