just left you a vm

spoke to him, he said he was pretty pissed (at situation). I said if it's known that in the end this won't happen, then the best for him would be to say that tonight to Landler, if it's not known then there's nothing to say, Mark will hopefully have it as pretty squishy, and we'll take it from there tomorrow.

Mark's thing is a brief 300 wd item that I bet he leaves a lot of wiggle room in
