To the Personal Attention of the Secretary:

September 28, 2012

Dear Madam Secretary:

We applaud your decision to remove from the State Department's list of foreign terrorist organizations the group of Iranian expatriates known as MEK. Along with you, we hope this sound result promotes the quick resettlement outside Iraq of the former residents of Camp Ashraf who are members of MEK.

As you may be aware, the signers of this letter are a diverse group of U.S. military, political, legal and national security officials who have worked in cooperation with and at the direction of the State Department and the United Nations to act as trusted third parties to achieve the peaceful closing of Camp Ashraf and the protection of its residents. We are therefore grateful for this step and will do whatever we can, as we hope and believe you and your department will, to see that the former Ashraf residents, temporarily located at Camp Liberty near Baghdad, are safely relocated to other countries. We hope you and Ambassador Daniel Fried will continue to call on us for whatever assistance we can provide.

Yours sincerely,
