Subject: Re: Also, israeli secure phone system not working. May need to do non-secure.

They have been trying for many hours actually. Ops even called white house sit room to help with no luck. The israelis only have 1 secure phone at his house and if that doesn't work, they have no back up. They mentioned its already 11pm there so they want to get it done.

Isrealis don't want to delay a day. He would rather talk non-secure in 10 min.

Ok--but if they prefer secure, we could do tomorrow .

Also, pls convey my approval of the action memo w response to OECD
