I didn't know you were told [redacted] wanted her picture today. She wanted to come early so she could go to work. I asked if we could do tomorrow since u have to be dressed to leave in the morning anyway.

On the plane, I checked with cheryl about using a govt plane and she agreed it was perfectly appropriate. They are sending a plane to pick up jimmy and rosalyn carter in israel since there are no commercial flights. Gives u the ability to decide when u r going and when u r coming back.
