Yes, I tried calling you. Just talked to our pilots again.

The planes start evacuating from Andrews Sunday afternoon. They are asking us to leave around 5pm. Although POTUS and WJC will likely leave Sunday night. Biden and FLOTUS also leaving so we want to coordinate times with them. They could leave from NY later cause weather isn't as bad here. Wish they told us earlier and you could have packed before leaving. Will get back to you on time after talking to Biden/FLOTUS people. Think we should do our Algeria schedule Monday since Bosnia was jammed anyway.

I am jinxed when it comes to leisure! So, I will leave from the Mayflower around 10am Sunday, drive straight to airport, go home and pack and then to Andrews for 5pm departure?

Nora/Joanne --

Could you please flag this for Cheryl if she is tied up this morning and not checking e-mail regularly? Air Force indicating they essentially will have to shut down flight ops at Andrews from late afternoon Sunday until Wednesday morning due to the storm.

Many thanks -- JB

Huma -- the Air Force recommends a departure of no later than 17:00 hrs on Sunday, 28 October.

Please note that the Air Force plans to evacuate all airplanes from Andrews Sunday afternoon.

Thanks,

Tuli

Hello

The current forecast for Andrews is for the winds to be "out of limits"

starting the "Sunday evening" and lasting until early Wednesday.

The current hurricane track forecast has New York being effected for the same approximate time.

The 89th plans to evac all airplanes Sunday afternoon.

For your travel, the primary should plan to depart New York and/or Andrews NLT 1700 Sunday. Options include:

- ADW - OCONUS on Sunday
- Different CONUS location (South and/or West of DC) - Monday departure
