I'm a little teary reading your email. It was a very humbling experience. Thank you for thanking the president, I didn't get a chance to appropriately do so.

I hope you know how grateful I am for the amazing life you have given me.

Thank you for all the love and support.

Huma---

I just emailed the President to thank him for what he said about you at the Iftar. There were a lot of smiles--and a few tears--from our traveling party when we got the report. I hope you felt the respect and admiration that so many people have for you.

From Istanbul w lots of pride and love---H
