RELEASE IN PART
B6

Yes for sure if you left tonite, you can easily make the 10 without worrying.

But if we left tonight, I could make the 10 even. I'm just worried about the stuff I have to do.

Ok we've had some technical issues today with 2 printers and 3 different kinds of toners! so just finished your clips and put in kitchen, not sure where u r.

You can leave tonite easily or tomorrow but agree 12 is better than 11 only cause of traffic.

That's right. You should leave here at 7:45 to be safe to catch the 11.

I'd like to aim for the 11 but keep the 12 in reserve. I think it will take 2--2-1/2 hours to get to LaG. Is that right?
