**Subject:** updates

not a whole lot of issues for this trip  
indonesia pretty smooth, you will see we included david carden in all the meetings.  
you know maria is there in indonesia and joining for the flight to beijing and to join for china meetings. didnt really get a chance to talk to you about this but jake should have filled you in.  
china bilats are ridiculously large, except for dai which will be restricted so you can do business with him. kurt, amb, danny, jake  
brunei in flux. we are moving meetings around and getting conflicting info but i guess that happens when you have 2 FM. will resolve itself soon.  
reminder for dili, you will land after the night on the plane and it will be miserable but they want an open press arrival since this is such a huge deal  
vlad is still coming together. russians as usual are holding out a lot of info per usual.
