HRC -

This is confidential email to you.

Not sure how to address but do think we can address the AA community part by being thoughtful about ways to ensure folks are embraced in the State experience either through positions or breakfast/dinners and swearing in and other receptions.

Thanks dear.

Good thoughts and good candor.

I would welcome some constructive advice besides returning phone calls b/c while I am trying to do that and am on the catch up side -- I'm sure that's not enough.

Other suggestions?
