RELEASE IN PART  
B6

--

First, Happy New Year to you and your family. I hope 2009 brings us all, especially our country, the peace, prosperity and progress we seek and need.

You have not heard from me because I was told that there was an effort--which I strongly supported- for you to go into the  I heard yesterday that you've been offered such a position and I wanted to confirm that.

Are congratulations in order yet? All the best,  
Hillary
