I don't know who dan feldman is. I invited nickie and michael and dan baer from cvc friends.  
Sid and jackie are coming  
Maggie and bill are both coming. She and cheryl and minyon have been sending lists regularly.  
Transition and confirmation teams are invited already.

Are Dan Feldman and other of CVC's friends invited? Are Sid B and his wife, Jackie? Is Maggie coming--did we invite her husband--and did we ask her who she wanted to come? Did we invite both the transition and confirmation teams? Including Denis McD and Ben Rhoads?
