Subject: Re: Good morning

I talked w one of Kay's consultants about the Dole ad (which is so bad she should be ashamed-- but I'm sure isn't) to offer suggestions and I think the ad is great. So I'm looking forward to being there tomorrow.

I feel good but cautious. Most of our Senate races have tightened up but I still think we'll get at least 4 and maybe 8.

And Obama should win big in popular vote and comfortably in EC. W you and Judy on the job, it's a lock!

See you soon.
