Dear Secretary Clinton,

Thanks, so much, for your call about the White House's sign off on my assignment to Warsaw. It has been an incredible ride, and I am honored and looking forward to continuing to serve you and now to represent the country in this important and challenging post.

Elaine and I are both Russian speakers, so we're expecting that the transition to Polish will be smooth.

In the meantime, [redacted] so it will feel like old times.

Happy holidays to you and your family.

With warm regards, and appreciation,

Lee
