I'll ask him if they can burn another one of the cuts that was screened at Tribeca. He is in the midst of reshooting and editing yet again. Should he feed it to Washington? Safe travels. [redacted]. xx00

Dear Hillary,

I am forwarding the link to this Huffpo interview and a review of Zach's film. The second link is the trailer to The Western Front. Perhaps someone in your office can set it up when you have a few minutes to spare.

Love you,

Jill
