dinner and the President's box -
was a great success. I asked Jeff Feltman who we should bring from his region. So we had the Ambassador of Egypt, his spouse and Morocco - his spouse was ill last minute so I brought Karyl Baz Baz who is moroccan - and they spoke french all night. Jeff came with his DAS and Rob had to go to a school function - so I brought Philippe who amused the Ambassadors thoroughly. They loved the evening -- We saw Hamlet. I was thinking if The President thought of individuals that I should take with specific Ambassadors - we can include them the next time.
Hope you get some rest.
