If our FRIENDS think she could be well enough, we have a problem . . .

(I put her on the trail by accident but see below - had meant judy trabulsi)

If she is well enough --
Step out ASAP
Testify if possible
Take full responsibility
Push transparency --
Morning Joe was not friendly
It was full of "smirks" and innuendo
Making fun of her "illness"
Joe, Mika, Steve Ratner, barnickle
Did it twice so far

Watching Morning joe- this is not going away-- w/Bolton
I will step out obviously
Take care
