Tony---

Message delivered. Pls read all the way down. Also, I'm copying Jake Sullivan because I've asked him to arrange a call w you once you land so you can be fully briefed before seeing BN. We are on a fast moving train changing direction every hour but determined to reach our destination.

Thx again for jumping into action this week. It's great having you on the team. All the best, H

Hillary,
We of course understand and thank you for personally reaching out to us. It is a big loss for the weekend but as we know it does not add up to a hill of beans. You are the best, and we remain your biggest fans.
Sweet dreams and Godspeed with everything you are doing.
Oxoxo
Lynn

Lynn,

I was trying to reach you to tell you and Teddy that I asked Tony Blair to go to Israel as part of our full court press on keeping the Middle East negotiations going. He told me that he had a commitment in Aspen w you two and the conference, but after we talked, he decided to go and asked me to tell you. He is very sorry, obviously, but I'm grateful that he accepted my request. I hope you all understand and give him a raincheck.

If you were interested, he might be able to satellite in if you have the technology available.

He should land around 5am Aspen time. Let me know what penance I owe you. And pls explain to Teddy. As ever, H
