Jack is going to be in ny this weekend - are you comfortable if he catches a ride back with you or would you prefer that time to yourself?

The 2010 budget passback appeal is now due on Monday at noon. Supp appeals will be due at the same time.

I met with the team tonight before they had a chance to do all the analysis and will meet with them again in the morning.

My goal is to have the analysis and the draft appeal (which goes from HRC to OMB formally) by Sat night or Sunday. If it is OK for me to travel back to DC with her, we can use the travel time to review. Otherwise I will arrange to get her paper in NY so we can get her reaction Sunday pm or Mon am.
