Subject: Invitations

B6

You will or have received 2 invitations for HRC to speak in Chicago
Richard M. Daley is sending a letter inviting her to speak at an event on April 27, 2009 at the City of Chicago Global Forum on Economic Recovery. The event is in conjunction with the Richard J. Daley Urban Forum at UIC

J.B. Pritzker has already written a letter inviting her to speak at the opening of the Illinois Holocaust Museum of which he is the chairman on April 19.

I don't know if she can do either of these events but they are both important here. When you have an idea yes or no, please give me a heads up so I can prepare the way. Needless to say they both need to know sooner rather than later. Thanks
