I will set up a meeting.

He IS a direct report (per her lugar commitment) to HRC.

[REDACTED]

I will get the Lugar reference and position description for the International Energy Coordinator -- which ultimately is where this is going for his role.

Todd- As you may know I will be Special Envoy on Eurasian Energy Policy. We will have to work together closely, which I am looking forward to. I will start around April 1 but will be in DC on the 17th through the morning of the 19th. I am tied up with vetting on the morning of the 17th. Is there a time we could meet while I am in town?...Dick Morningstar
