Subject: Thank you from Joe Wilson

Dear Hillary,

Thank you so much for your support of Symbion in Dar today, and for your kind words about me.

I heard you met Lord Richard Westbury (nee Bethel). He was a bonafide war hero in the Falklands and ran important ops against the IRA in the 70s. Quite a character and appropriate Boo-boo to my Yogi Bear.

We have been working extraordinarily hard to make the power plant deal happen in an expedited fashion. An agreement that usually take at least nine months of solid lawyering was accomplished in less than two. Your recognition of that effort is very much appreciated.

Thank you again, and thank you for your friendship over the past 14 years. Love to you and the family. Joe
