Subject: Fraker - Saudi Arabia

Cheryl

Finally tracked him down in Dubai

He thought he was leaving and has made some plans

He is going to call me back later today or tomorrow after he gets back to Riyadh and talks to his wife

He will send in the revised resignation letter so he is not pushed off the rolls on the 20th

But, he did not commit to how long he would stay

In sum, we will have the flexibility for his staying as the Senator has requested

Regards

pat
