RELEASE IN PART
B6

Subject: [redacted] etc...

Hey boss... a few items:

1.) [redacted]. Our meeting was moved to late yesterday. He's a great guy. I really enjoyed meeting him. He loves you and that speaks volumes in my book. [redacted]

[redacted]

I will continue talking to him.

2.) Haiti. I viewed the recent Anderson Cooper video with the President. He's right that we must find ways to keep the philanthropic America focused and concerned for the people of Haiti (this will be true, too, for the Gulf Coast). I recently conducted a trip to the Gulf Coast for Sapperstein, Wallis, Hybels, Joel Hunter, etc... they returned like deer in headlights... shocked at what they had seen and heard... they have a new resolve to keep the story alive and keep Americans focused on the Gulf Coast... Has the President considered including some key clergy-types on one of his trips to Haiti... some with large microphones who have the ability to reach millions in their programs, sermons and blogs... this could be a great way to help keep engagement alive.

3.) NRG is engaging on the rubble to energy (syngas) concepts being discussed in Haiti. Ami is connected with them.
