Cheryl,

Many thanks. Look forward to seeing you tomorrow. There are some excellent candidates on the lists you shared. I'll think about other possibilities; in the meantime, here are a few well-qualified career names:

AF: [redacted]

WHA: [redacted]  
[redacted]

NEA: [redacted]  
[redacted]

EUR:

IO:

Will continue to think. Many of these choices also depend on fit with possible special envoys (either [redacted] or [redacted] [redacted], for example, would work well with Dick H. in South Asia). I'm also glad to discuss how possible Russia and Iran coordinators might fit into structure, as Senator Clinton had asked.

Warm regards,

Bill

Bill:

Thanks for being available tomorrow at 3pm to meet with the Senator.

Attached is a list of candidates that have been recommended to her by PTT or others to consider for AS positions. As you know, she would like any candidates you also may have for these positions. Ideally, if you shoot them to me today, I will try to get bios and other information on them as well.

She would welcome a chance to go through candidates with you at 3pm. I anticipate that Maggie Williams and me will attend the meeting.

best.
