RELEASE IN PART H <hdr22@clintonemail.com> on behalf of H From: **B6** Sent: Tuesday, January 31, 2012 10:40 AM To: Justin Cooper; Huma Abedin; monica.hanley Subject: Re: My berry died again tonight. **B6** Thanks for your help. ---- Original Message ----From: Justin Cooper Sent: Monday, January 30, 2012 07:45 PM To: H; Huma Abedin; 'Monica.hanley Subject: Re: My berry died again tonight. Monica has a new berry for you We just have to swap them All of your info is on the sever which you can access on any web enabled The berries have a capacity -- which may be part of why yours isn't working ---- Original Message ----From: H

It comes back to life once I plug in the charger. Should I try a new battery or get a new one? And, have we figured out to save all my info?
