Sid -- for some reason I just got a number of your emails that you sent several days ago.

The short answer on this approach is that we have decided to sit on it, after doing some more digging on Ziad. We have had similar approaches through other channels and are sitting on those as well, for the time being.

Jake--I spoke w Sid and he would be happy to see you at his house (which is in Georgetown) in about an hour. I hope you two can use the email addresses I've used to connect on details. Thanks so much, Sid. Look forward to talking later.
