This may seem a rather odd request, but I wonder if you happen to find the right opportunity, in these remaining weeks, you might show this picture to the Secretary and tell her that my family is so grateful for the role she played, with her words and her presence, in making that graduation day so very memorable. Little did I know that, years later; I would be so lucky to serve under her leadership here at State.

I do not mean to put you in an awkward position and am cognizant of the fact that this may well be a wildly inappropriate request. Please do not hesitate to tell me if there is perhaps a better way for me to pass this message to the Secretary. Ultimately, I am happy even just for you to know this story.

Thank you too for your faith in me and for the chance to serve in a leadership position in L. I hope that I will not let you down.

Maegan
