Subject. Hello d	The more with a long update
Am sitting outsi	de at out farm reading a Newsweek with you as it cover girl, while
•	e swarm of respect and appreciation for your leadership globally but also internally.
• 11.1 1 13	China trip, with an immediate memo going to Todd and several of the group seeing him in person. It was a prience, with Xie perhaps signalling some areas for "progress," but I don't think much. Sure takes those
