RELEASE IN PART B6

I meant to say South Africa in July! I must have been dreaming about Cairo.
Darn jet lag!

We got word from someone at State that you'd be there. Anyway -would be great if you could do it. We and EI will send letters.

I think that Mr.Monroe would much prefer to have it come directly from you. He'll be thrilled.

It should be sent to the Building Trades Department at the AFL-CIO on 16th Street. I can send a more exact address if needed.

TF--You're welcome, Madam Commissioner! Not a bad gig especially w Paris as the backdrop.

I'm not currently scheduled to be in Cairo in July--but who knows? I'm like the character in the old PBS kids' show we watched w Chelsea: "Where in the World is Carmen San Diego?"

And, I will sign the photo to our guy, Mike, today. Do you want to deliver it to him or should I send to him directly?

Welcome home!

Alas, I can't match Maggie for her fashion forward sense of style - but I did manage to purchase a pair of red shoes.

Can't thank you enough for the appointment. Ready to roll up my sleeves.

Hear you'll be in Cairo at the same time as the Education
