Hillary Clinton On What Designers She Wears: 'Would You Ever Ask A Man That Question?'

Hillary Clinton put a pair of interviewers in their places after they asked her about her personal style, Daily Intel points out . Here's the transcript from a "townterview" hosted by KTR Studio in Bishkek, Kyrgyzstan:

MODERATOR 1: People always touch some personality of Hillary Clinton. We have some - not just silly questions, but (inaudible) -

SECRETARY CLINTON: Oh, I've never been asked a silly question in my entire life. (Laughter.)

[...]

MODERATOR 1: Okay. Which designers do you prefer?

SECRETARY CLINTON: What designers of clothes?

MODERATOR 1: Yes.

SECRETARY CLINTON: Would you ever ask a man that question? (Laughter.) (Applause.)

MODERATOR 1: Probably not. Probably not. (Applause.)
