Hillary

I return on the 15th. Will work something out with Lauren. Look forward to seeing you.

All the best, Jack

Hillary,

Know you are very busy and Egypt is all consuming. The promise, opportunity and risks are evident and just want you to know I am thinking about you dear friend.

Am in AFG conducting an assessment for DP and maybe we can find some time to catch up later in the month or next.

All the best, Jack
