On labor, which you are doing as a one off. Since we are willing to give on points important to them, if you choose to surface tat in the one off I suggest you "give" only if you get a call on "gives" from him on the rest of the document. That way you set up on end game.

Thanks for all the work.

PS: [redacted] called to tell me of his talk with you. He adores you. He is very happy. Bill Burns and Chris Hill have confirmed to him (what already was his instinct) that he should take INR (to him, it is the opprtunity to work with HRC and you directly) -- and I think he will try to get in touch with you today to accept. You will love him as you get to know him. Use him (beyond his portfolio) as a career service listening post. EVERYBODY talks to him,

so his channels supplement Bill's and Pat's well.
