[redacted] and can help assure that the Secretary's agenda is promoted and pursued. Can we discuss. As you know, I have a strong global background in economic development and business/trade affairs. Pls see below. Can we arrange to speak or meet? I am saying no to other opportunities (for real) but remain drawn to work w/ Hillary and team. "E" is interesting on many levels. Please see below. Pls suggest times to talk. Thanks. Big time - [redacted]
