WJC received a letter from Taiwanese politicians Trong R. Chai and Chia-wen Yao, passed along by Coen Blaauw of the Formosan Association, regarding the incarceration of Taiwan's former president Chen Shui-bian. The letter contends that Mr. Chen is suffering from numerous medical ailments due to alleged inhumane treatment in prison. They would like WJC to visit Taipei and would greatly appreciate if WJC would considering personally meeting with Mr. Chen in jail.

I am going to recommend we do a staff acknowledgement of the letter but keep WJC clear of it. Unless there is some USG reason for us to address it in a different way?

Thanks.
