To: hdr22@clintonemail.com

Subject: Cyprus

You may have already received a further update from Bill on the arms-carrying Cypriot ship, but here is the latest information I have.

I spoke with Joan Donoghue yesterday afternoon, who has been working with P on this issue.

Port authorities in Cyprus have agreed to a second inspection of the ship, and nothing further will happen over the weekend.

I will keep you posted as events unfold.
