> Subject: Israeli Elections.....and a little TL

>

> Madam 'Alice',

> Not surprising that media going crazy with those elections and pointing to uncertainties instead of opportunities. Back to the basic of 'common sense'. Goal is peace. Whichever competing / aspiring leader over there forgets that will lose the support of the people.....especially with a 2 year election cycle. Both sides tired of dying. You picked a heck of a time to be Secretary of State :-)

I still think higher office awaits you. [redacted]

[redacted]

All the best in

what you're doing all over the planet.
