I understand that Jim Wolfensohn is introducing you today at the White House Middle East innovation summit. ShoreBank International President Laurie Spengler is attending, and I very much hope you have a chance to meet her. I have the very highest regard and respect for her, and we were all thrilled that she was invited. I also wanted to let you know that we're trying to arrange a call with Jim re ShoreBank; not yet scheduled, but we've reached out to him.

I'll check dates for 2011 Skoll Forum.

Thanks for the feedback. Also, can you get me the dates of the Skoll conference for next year so I can try to plan to attend? Also, I forwarded an edited version of. your email to CVC. [redacted]

Dear Hillary,

Thank you SO much for your call Friday. Made my week! Wish I could do something to support you in carrying, almost literally, the weight of the world on your shoulders.

I try to be sparing in communications, because I know you're inundated. But I must give you this report.

I am at Global Philanthropy Forum in California -- you spoke last year when it was in D.C. (alternates years). Amb.
