Subject: Russia

Hillary, somewhere in your gargantuan in-box I'm sure there's stuff accumulating about Russia and what to do about it. Attached to this email is yet another submission—a draft of a speech I'm giving in Berlin on Feb. 9. Also (and I mentioned this to Jim S.), the VP told me on the margins of the big ceremony at State that he was thinking seriously about a Biden-Putin Commission. I have a thought or two on that subject that I'd like to share with you whenever it's appropriate. Strobe
