

RELEASE IN FULL

Steinberg report from Munich

From: Sullivan, Jacob J SullivanJJ@state.gov

To: hdr22@clintonemail.com

Subject: Steinberg report from Munich

Steinberg checked in from Munich. Jones, Petraeus, Holbrooke, and he had a meeting with Pakistani FM Qureshi. They discussed the court-ordered release of AQ Khan. Bottom line: our guys were very stern and direct, and Qureshi indicated that the government was surprised by the ruling and would consider a range of options to respond to it and to address our concerns. I can give you a full report by phone.
